The background features a complex network of interconnected nodes and lines, primarily in shades of blue and cyan, set against a dark blue gradient. The nodes are small circles of varying sizes, some highlighted with a cyan glow. The lines represent connections between nodes, creating a web-like structure. There are several bright, glowing points of light scattered across the network, particularly along the left edge and in the upper right quadrant.

WHO WE ARE

## GROWTH

TO Growth Average Rate **39%**

Customer Development Rate **32%**

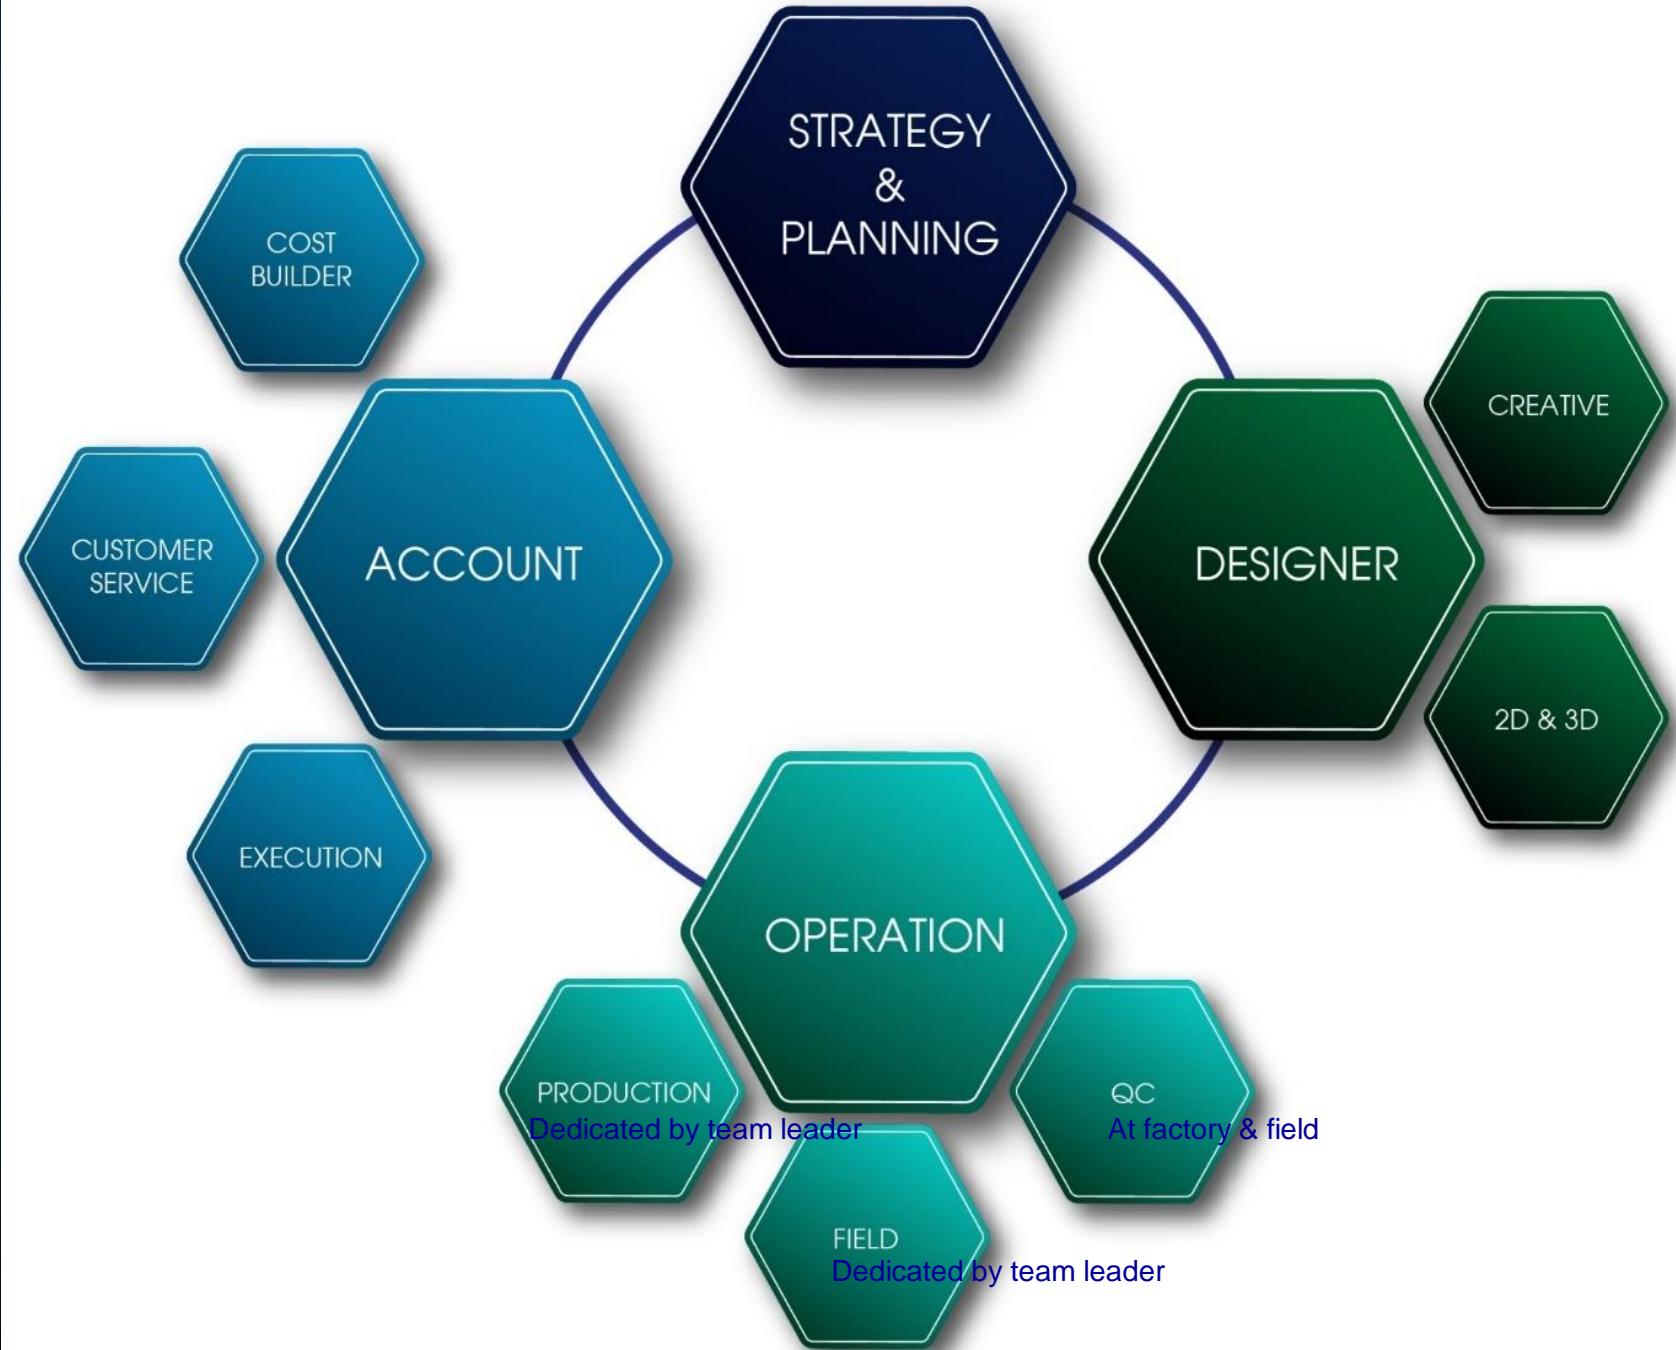

Customer Maintain Rate **75%**

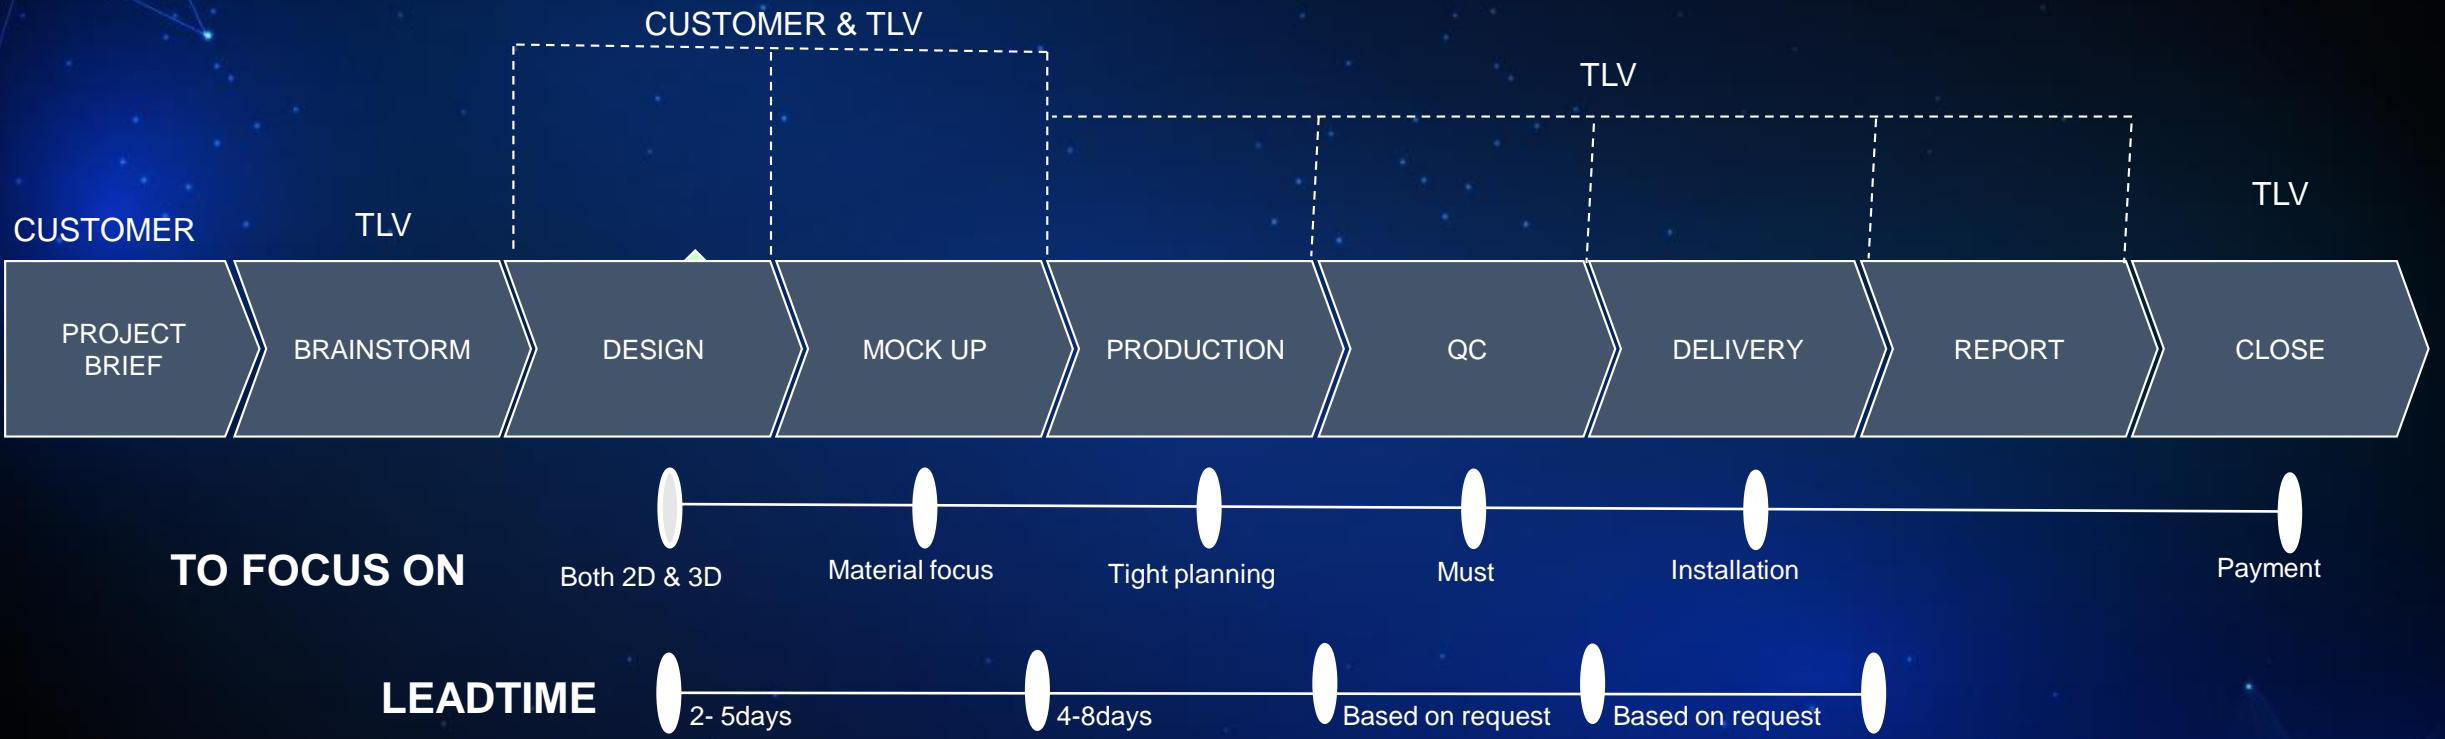

The background features a complex, abstract network of interconnected nodes and lines, primarily in shades of blue and cyan. The nodes are small circles of varying sizes, some highlighted with a bright glow. The lines connect these nodes in a non-linear, organic pattern, creating a sense of depth and connectivity. The overall effect is reminiscent of a digital or scientific visualization of a network or system.

WHY  
CHOOSE US

# HUMAN RESOURCE

# PROCESS

# FACTORY

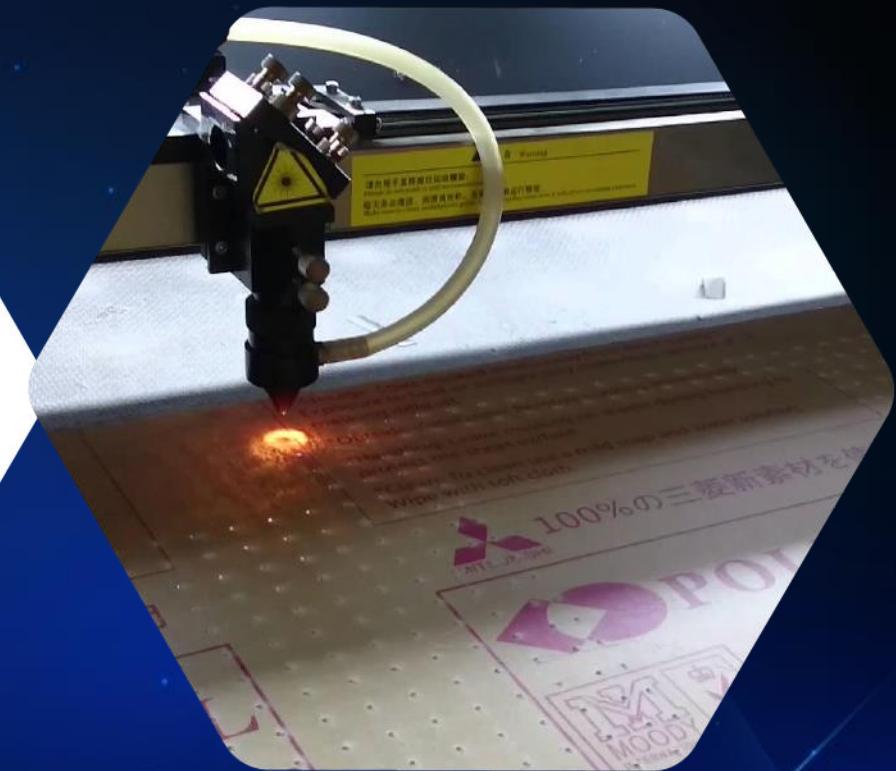

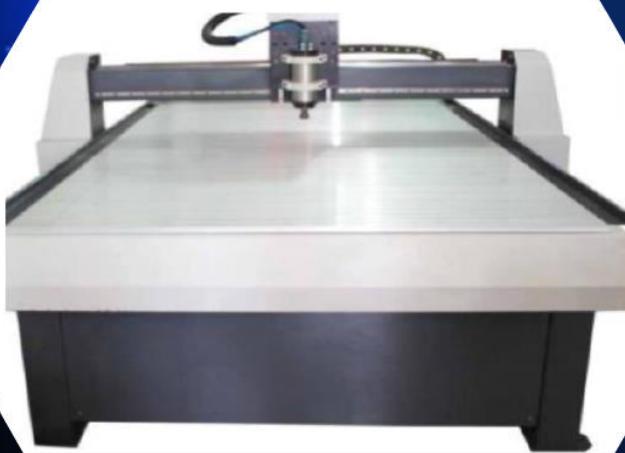

2 BRANCHES IN HCM & HN

**Area:** 2000 m<sup>2</sup> in HN & 3000m<sup>2</sup> in HCM

# MACHINERY

CUTTING MACHINE: 6 CNC & 7 LASERS in HCM

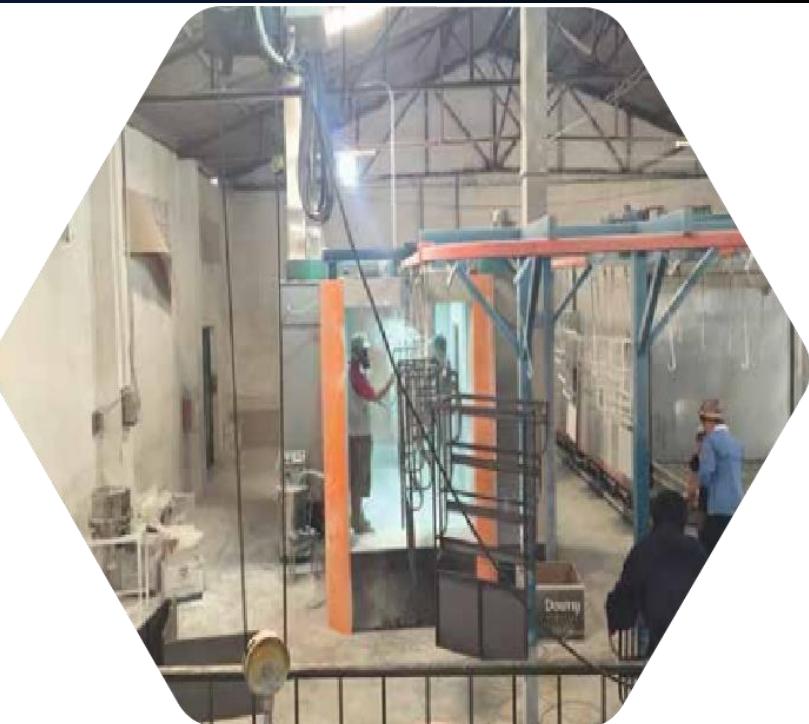

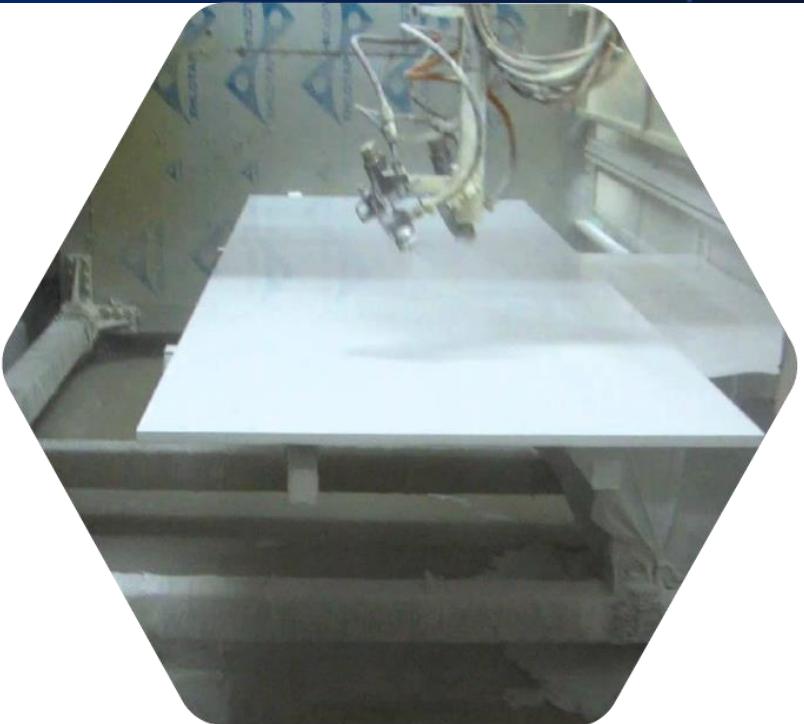

# MACHINERY

17 MACHINES FOR MULTI MATERIAL

# MACHINERY

## PAINTING SYSTEM WITH PU TECHNOLOGY & ELECTRIC

The background features a complex, abstract network structure composed of numerous small, semi-transparent blue triangles forming a larger hexagonal pattern. Superimposed on this are several bright, glowing circular nodes of varying sizes, some filled with a light cyan color and others appearing as mere highlights. These nodes are interconnected by thin, light blue lines, creating a sense of a dynamic, interconnected system.

WHAT WE DO

# BUSINESS FOCUS

We can help design, production and bring to market products across channels prioritized quality first

**QUALITY**

**PRICE**

**INNOVATION**

**PROFESSIONAL**
